

Den ”rasistiska” Köpenhamnsskolan

”What the hell am I doing here?”

- Ole Wæver, professor in International Relations, Copenhagen University (University Post, 15/5, 2020)

The Protesting of a Protest Paper

Critics conceded that Omar Wasow's findings might be true, but they still objected

University defends 'academic freedoms' after calls to sack professor

Campaigners call for Kathleen Stock to be fired from University of Sussex over views on gender identification

▲ Kathleen Stock has said she believes gender identity is not more important than facts about biological sex 'particularly when it comes to law and policy'. Photograph: Graeme Robertson/The Guardian

My University Sacrificed Ideas for Ideology. So Today I Quit.

The more I spoke out against the illiberalism that has swallowed Portland State University, the more retaliation I faced.

Peter Boghossian
Sep 8 · 1,043 · 425 · 4

Peter Boghossian has taught philosophy at Portland State University for the past decade. In the letter below, sent this morning to the university's provost, he explains why he is resigning.

Dear Provost Susan Jeffords,

The New York Times

How a Famous Harvard Professor Became a Target Over His Tweets

The outcry over free speech and race takes aim at Steven Pinker, the best-selling author and well-known scholar.

f t e s l 1890

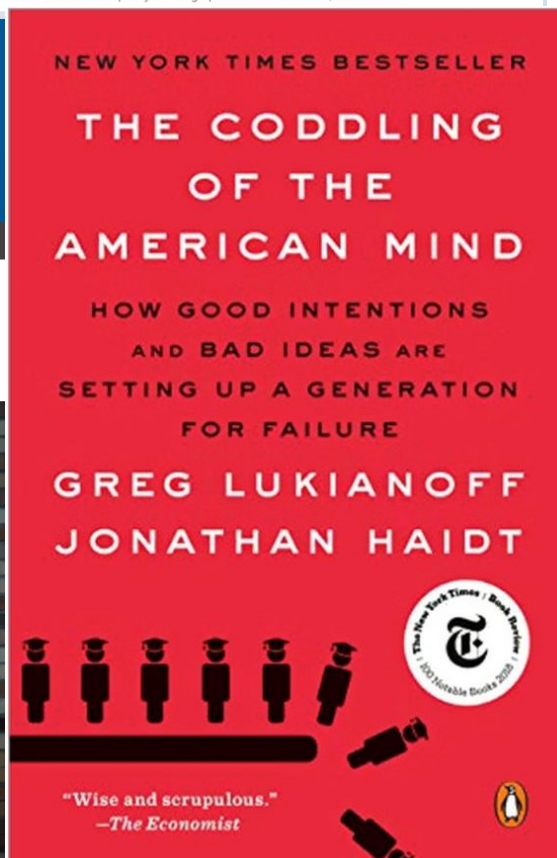

Professor Steven Pinker, in his office in Cambridge, Mass., in 2018. He has been accused of racial insensitivity by people he describes as "speech police." Kayana Scymczak for The New York Times
